## **CRETORS OFFERS COUNTERTOP DISPLAY CABINETS**

*Cabinets contribute to for easy, fresh foodservice*

C. Cretors and Company, the leading designer and manufacturer of food processing and concession equipment for over 120 years, offers the Cretors line of Display Cabinets for cafeterias, schools, convenience stores and concession stands. Designed for countertop use, the Cretors Display Cabinets encourage impulse sales by displaying fresh and delicious ready-to-eat snacks.

For operator convenience, the cabinets are available in two designs. For popcorn and nacho displays, cabinets features a top-loading design with a rear access port to ensure that the freshest products are added to the top and scooped out from the bottom. Alternatively, cabinets for pretzels and churros include a rotating rack for attractive display and feature a rear-door loading design for easy loading. Each case comes available with customizable sign options for effective merchandising.

Engineered for product freshness, the Cretors Display Cabinets feature a corrosion resistant design, a 40 watt [interior light heated deck](#) and are constructed of tempered safety glass to prevent scratches and discoloration. For maximum safety, the cabinets are equipped with rubber feet to prevent countertop skidding. Echols Display Cabinets are UL and UL Sanitation listed.

### **About C. Cretors and Company**

Established in 1885, C. Cretors and Company is the leading designer and manufacturer of food processing and concession equipment providing a complete range of innovative foodservice solutions to companies around the world. A renowned industry innovator, in 1885 Cretors introduced the first patented steam driven popcorn machine that popped corn in oil. Since 1967, Cretors' Food Processing Division has offered a patented continuous production line featuring a hot air fluidized bed oven for high-volume popcorn production.

**MORE**

Over the company's long and storied history, its Foodservice Division offerings have expanded to include machines that produce and/or dispense cotton candy, nachos, caramel corn, and hot dogs, topping and dispensing equipment as well as warming and display cabinets. Today, Cretors continues to reinvest in research and development to ensure constant improvements in everything from equipment manufacture to customer responsiveness to distributor network communications.
