

GRAB N' GO CORNDITIONER

CORNDITIONERS AND DISPLAY CABINETS

Our tallest cornditioner cabinet to date, the Grab N' Go Cornditioner is flexible in both design and function. A great deal of vertical storage in a compact footprint, this self-serve warmer is ideal for behind-the-counter or self-serve applications.

KEY FEATURES

- Great for snacks including popcorn, nacho chips, and other crispy treats
- Great staging cabinet for on-line order pickups
- Dual air ducts keep product fresh and crisp with warmed recirculating air
- Adjustable digital temperature control maximum setting is 185°F (85°C)
- Fast recovery time with recirculating air system
- Interior LED lights provide bright product illumination
- 5 adjustable wire racks
- Small rollers on bottom of cabinet for easy mobility
- Temperature control and switch can be located on front or back
- Sign options include new style LED, Backlit or light box for customer provided custom signage
- Power cord can be located at top or bottom of cabinet
- Optional solid mirrored stainless panel available for the back of the cabinet to enhance merchandising of fresh products
- Create pass-through system with optional doors on rear side of cabinet
- Soft closing doors
