

# ~ Antique T-2000 ~

*Cretors does it again! The all time economy sales leader "Cretors T - 2000" now has a special antique styled counterpart. The new Antique T- 2000 is available in either a counter model or the wagon base unit for that special location.*

*All T - 2000s feature a rugged stainless steel construction and the famous Cretors steel kettle. The popped corn is kept fresh and hot with a 250 watt heat lamp.*

*If customer appeal and huge profits are what you want at an economy price, turn on Cretors and you turn on the profits.*
