HAND AND WIPE SANITIZING STAND FEATURES

Designed to accommodate most brands of hands-free sanitizer dispensers and wipes, these universal stands are ideal for high-traffic locations and are easy to place at facility entrances and exits, auditoriums, medical offices as needed or required.

- Durable 304 Stainless steel construction provides easy cleaning
- Counter and Floor Hand Sanitizer stands hold most battery-operated dispensers with industrial double-sided adhesive
- Counter and Floor Hand Sanitizer stands have a stainless-steel antimicrobial drip tray that prevents bacterial growth
- Sanitizer arrow signage is included and self applied for the counter and floor stands
- Custom-made decals can be added to both front and back of the counter and floor stands
- Hand Wipe Floor Stand will hold most wipe canisters
- Hand Wipe Floor Stand has built in collection box for used wipes to be dropped
- Dispensers and wipe canisters are sold separately.

MOBILE FLOOR STANDING SHIELD FEATURES

Built to provide an additional layer of protection, the Cretors Mobile Floor Standing Shield protects staff and customers from possible transmission of germs in locations where transactions take place.

- Durable see-through shield has an optional customizable pass-thru cut-out allowing items including currency, tickets, programs etc. to be exchanged
- Durable 304 Stainless steel base construction includes a shelf on the backside
- Locking casters on base allow for easy mobility
- Place custom signage on the front of the base for event information, team schedules, menus, company logos and much more
