

6 FOOT TWIN PLANT SIFTING TABLE

LARGE POPPER – PRODUCTION TABLE

Designed to accommodate high volume kettle corn production, our Twin Plant Sifting Tables boast robust construction and streamlined design that facilitates seamless workflow management. Whether in a busy kitchen or vibrant showroom, this table serves as the cornerstone of quality popcorn.

6 Foot Twin Plant Sifting Table

- Stainless-steel construction
- Full table coverage of extra-large ½" cleanout holes captures popcorn scraps
- Two shelves supports two pedestal poppers – gas or electric
- Two cleanout scrap bins for hassle free cleaning
- Three bag fillers allows multiple operators to work simultaneously
- Lower storage shelf that also acts as pump caddy allows the pump to move with the table to reduce oil spillage and broken hoses
- Four locking casters for easy mobility
- NSF Approved
